This work has received funding from UK Research and Innovation (UKRI) under the UK government's Horizon Europe funding guarantee grant number 10055370.

2022-2028

IN A NUTSHELL

**AcTivate and TRigger
ACTors to deepen the
function of Innovation
Support Services**

72 months
1 October 2022

**17 partners &
13 European
countries**

7 Work Packages
4.6M€ Budget

OUR CONSORTIUM

PROJECT GOAL

To empower **innovation support services** as a pathway for a more sustainable agriculture & forestry sector.

*Innovation Support Services, from facilitation of networking to financial resources, help create the conditions for new opportunities and solutions in the AKIS, **making innovation happen.***

SCOPE

Who are the ISSs actors?

-  Farmers and advisors
-  Researchers and Education sector
-  Managing authorities and AKIS CB
-  National and European networks
-  Newcomers

What is the methodology?

A multi-actor, co-creative, bottom-up approach, involving all AKIS actors.

How is it implemented?

By empowering ISS and all AKIS actors, through capacity building and provision of effective methods and supportive tools.
